WE MORE THAN BUILDERS

PGB CONSTRUCT LTD

WE ARE SPECIALISED HOME BUILDER AND HOMES REFURBISHING COMPANY PROVIDING SERVICES ACROSS LONDON AND UK.

Founded in 2014, PGB Construct Ltd has established a reputation for outstanding service, quality and reliability.

Our track record of success is underlined by our dedication and flexibility, demonstrated in a wide range of projects all over UK. Our safety management system satisfies all legislative and work cover requirements and complies with all national and industry codes of practice.

Using innovative techniques in the delivery of projects entrusted to us, we consistently deliver high-quality commercial and multi-residential construction services that meet your specifications – on time and well within budget.

CONSTRUCTION

We offer a range of building services which include home extension, loft conversion, property renovation, new builds. We can also arrange for plumbers, electricians and landscapers for grounds maintenance for domestic and commercial clients in UK.

RENOVATIONS

Whether we are undertaking a small flat or a large house or office renovation we will always ensure that we provide excellent, home-transforming renovations. We will handle the whole job, from plastering to plumbing and we will ensure that all the works is carried out on budget and on time.

MAINTENANCE

Our preventative maintenance service helps our clients avoid an interruption of revenue stream and potentially avoidable capital expenditures. Our unique approach delivers great value for money whilst ensuring customers, tenants and landlords are receiving the very best value maintenance services.
